THE CHELSEA FC CAMP JUNE 9-13, 2008

CAMP STATEMENT

Chelsea Football Club, the 'Blues' to their fans, is one of the top soccer clubs in the world. In the past three years alone, the club is a two time champion of the English Premier League, and a winner of England's FA and League Cups. Chelsea FC placed more players onto national teams at the 2006 World Cup than any other club. Chelsea FC has not lost at its home stadium, Stamford Bridge, in 72 matches. This is a unique opportunity to have your child play and learn with the same Chelsea FC professionals who train some of the most promising young talent in the game today. All participants in the Camp will receive a T-shirt in the official blue of the Chelsea FC 'Blues,' which happens to be the same blue as Le Jardin Academy and the Le Jardin Soccer Academy!
